The court didn't tell us any specific dates in November, but we can ask them to reset to sometime during that month. Would this stip work?

I can't do it any of the dates that you proposed. I have a trial the week of the 6th that's 10 days and then another a week later that is in Washington. September won't work for me. You have any dates in November?

Hi Burke,

Attached is the proposed stipulation to move the hearing date in the Elaine Go case that we discussed last week. Please take a look at it and let me know if you are okay using your e-signature to submit to the court or if you have anything you want changed. And thank you for your courtesy in agreeing to move the hearing.
